MIDDLE SCHOOL NEWS:

IPAD INFORMATION:

6th-8th grade students will be turning in their iPads on Monday, May 18th. Please make sure students have their stand, cord and charger for check-in at that time.

If you have a student entering 6th grade next year, they will also have an iPad to use next school year. Please create an e-mail address to be ready for next school year.

Dear Thunder Valley K8 Families,

We will be collecting student iPads for summer check-in beginning Monday, May 18th.

Here's information you need to know:

1. Your student should bring their iPad (in the case with the stand), charger block and lightning cable along for check-in. Any items damaged or not returned may result in a charge for a replacement. If you need to purchase replacement accessories, please fill out this form to order them [HERE](#). We will then add the charge for the item to your student's RevTrak account. These items are to be **paid online using RevTrak** and your student can pick up the item in the school's main office. Please complete the form and make your payments by Wednesday, May 20th.
2. Before returning the iPad, you may wish to backup any student data. Information for doing so can be found on our district [Family Connections Website](#) and also on the [Apple website](#).
3. If a student will be returning to TVK8 next fall, they will be issued the same iPad for use in the next school year.
4. Any iPads not returned by **May 22** will be treated as missing and may result in a charge for the cost of the iPad.

5. All insurance balances need to be paid by May 22nd. If you have questions regarding your balance please contact the front office at (303) 833-2456.
6. Planning ahead will help the return process go smoothly for you and your student!

We greatly appreciate all of your support!

TVK8 Staff and Administration

Queridos Padres de la escuela de Thunder Valley K8,

Estaremos recolectando los iPads de los estudiantes por el verano comenzando el lunes, 18 de mayo.

Aquí está la información que debe de tener para ayudar en este proceso:

1. Su estudiante debe de traer su iPad (conjunto con con la cartucha y la plataforma), el cargador y el cordón del cargador para entregarlo completo. Podrá tener otros cobros si es que le falta cualquier de los objetos o si está dañado. Si necesita comprar accesorios extras, por favor de llenar esta forma para ordenarlos. Añadiremos los costos a la cuenta de su estudiante por medio de la cuenta de RevTrak. Estos cobros deben de ser pagados usando el sistema electrónico de RevTrak y luego su estudiante podrá recoger el accesorio en la oficina de la escuela. Por favor de completar la forma y pagar su balance para el miércoles, 20 de mayo.
2. Antes de regresar el iPad, sería buena idea de copiar la información del estudiante. Puede encontrar información de como hacer esto en el sitio electrónico de nuestro distrito [Family Connections Website](#) y también en el sitio electrónico [Apple website](#).
3. Los estudiantes usarán el mismo iPad para el siguiente año si es que regresarán a nuestra escuela de TVK8.
4. Los iPads que no son regresados para el 22 de mayo se reportaran perdidos y habrá un costo por el costo del iPad.
5. Todos los balances de la aseguración tendrán que ser pagados para el 22 de mayo. Si tiene preguntas sobre su balance, podrá llamar a nuestra oficina al (303) 833-2456.
6. Haciendo estos planes anteriormente ayudará este proceso ir mejor.

Agradecemos todo su apoyo.
