

SketchUp Project Spectrum Neurodiverse Outreach Program

We are pleased to announce our next
Project Spectrum event!

Online

May 4, 11, 18, and 25

9:00 AM - 12:00 PM Mountain Time

FREE

Students learn 3D modeling skills, and find an accepting community welcoming of all skills levels and interests.

FREE

Classes
long term mentoring
guest speakers
field trips

We have reached over 300 participants in CO, CA, and British Columbia.

Aimed at students on the autism spectrum in middle school, high school, transition and beyond.

Just click this link and fill out the form to register!
